Probable Cause

On August 8, 2019, at approximately 8:30 P.M., I, Corporal Randal Slocum, was advised of a traffic fatality by the Fort Myers Regional Communication Center, at University Parkway and Lockwood Ridge Road involving 4 vehicles. Upon my arrival, I was advised by Trooper Robert Roster that the at fault driver (David Charles Buncik, DOB 05/26/1985 and identified by his Valid Class E Florida Drivers License) fled the crash scene by foot. Manatee County Sheriff's Office Deputy J. Zarrillo 1600-0048 apprehended the driver from the Walgreens Parking lot that was approximately 2 blocks west from the crash, and returned him to the scene. Deputy J. Zarrillo turned him over to Trooper Robert Roster. Trooper Roaster advised to me that the subject, David Charles Buncik, stated to Trooper Robert Roster, he was the driver of the white BMW that was involved in this crash. Trooper Roster advised me

that while he was speaking with the subject, David Charles Bunckik, that the subject was staggering and having difficulty maintaining his balance. The subject did have evidence of some minor injuries to his ankle. The subject's vehicle was later identified as a 2015 BMW X5 sports utility vehicle, and was also registered to the subject. With the assistance of Manatee County Sheriff's Office, the subject was being detained in the rear of a Deputies patrol vehicle pending further investigation.

Corporal Joshua Campbell was also on scene to assist with the investigation. Cpl. Campbell advised that the subject displayed signs of impairment such as blood shot watery eyes, unsteady on his feet and displayed an orbital sway when in a stationary position. Corporal Campbell also advised that he detected a moderate odor of a consumed alcoholic beverage emitting from the subject's breath as he spoke. Upon inspecting the vehicle, Cpl. Campbell also advised the there were open containers of White Claw Hard Seltzer water that was within the passenger floorboard of the BMW X5. Corporal Campbell advised the driver, David Charles Buncik, his Miranda Rights and asked if he was willing to answer any questions. The subject stated that he was going to refuse. Cpl. Campbell advised the subject that the crash investigation was being complete and that a criminal investigation was going to take place for Driving Under the Influence. Cpl Campbell asked the subject if he was willing to participate in Field Sobriety Exercises and he agreed too. Cpl. Campbell advised that the subject displayed six clues during the Horizontal Gaze Nystagmus (four clues is a decision point), two clues during the walk and turn (two clues is a decision point), and two clues during the one leg stand (two clues is a decision point). He was subsequently arrested on-scene and transported to Lakewood Ranch Medical Center for the purpose of conducting a blood withdrawal.

Subject was then transported the Manatee County Jail and was booked and processed without incident for the list of charges.

Administrative Order 2015-14.3

WHEREAS, Section 903.047, Florida Statutes was amended effective October 1, 2015, to provide additional specifications for a "no contact" with the victim order as a condition of pretrial release: and

WHEREAS, defendants may be released pretrial numerous ways, including but not limited to : released on his recognizance (ROR); released on bond before an advisory hearing; released on bond after an advisory hearing; and release on pretrial supervision with various conditions; and

WHEREAS, in order to ensure that all defendants on pretrial release are provided with a "no contact" with the victim order, the sheriffs of the Twelfth Judicial Circuit must be able to provide said order to defendants;

THEREFORE, IT IS ORDERED that pursuant to the authority conferred by Florida Rule of Judicial Administration 2.215, the "no contact" with the victim order shall apply as a condition of pretrial release to all applicable defendants and shall be provided to defendants by the sheriffs of the Twelfth Judicial circuit prior to their release:

1. As a condition of pretrial release, whether such release is by surety bail bond or recognizance bond or in some other form, all defendants in criminal cases must:
 - (a) Refrain from criminal activity of any kind.
 - (b) Refrain from any contact with the victim(s) in defendant's case(s). **This no contact order is effective immediately and enforceable for the duration of the pretrial release or until modified by the court.** "No contact" includes the following prohibited acts;
 - 1) Communicating orally or in any written form, either in person, telephonically, or in any other manner, either directly or indirectly through a third person with the victim or any other person named in the order. If the victim and the defendant have children in common, at the defendant's request, the court may designate an appropriate third person to contact the victim for the sole purpose of facilitating the defendant's contact with the children. **This does not prohibit an attorney for the defendant consistent with rules regulating The Florida Bar, from communicating with any person protected by the no contact order for lawful purposes.**
 - 2) Having physical or violent contact with the victim or other named person or his or her property.
 - 3) Being within 500 feet of the victim's or other named person's residence, even if the defendant and the victim or other named person share the residence.

2. An invitation for contact from the victim does not affect this order and is not a defense to a violation of the no contact order. Contact with the victim, despite arising from an invitation from the victim, constitutes a violation of the no contact order.
3. Defendants shall receive a copy of this Administrative Order from the Sheriff's Office prior to defendant's release from custody on any applicable pretrial release.
4. The prohibitions contained herein are subject to modification by court order and may be supplemented by court order to include additional prohibitions.
5. This order is effective October 1, 2015.
